

Practical 04

In Week 4 Lecture, we learned the writing types of Chart composition. Please review the knowledge points and questions to complete the practical.

Before beginning

As we've learned in the last three weeks of class, a good outline is very important for writing. In this exercise, write an outline for each of your essays.

Should Include:

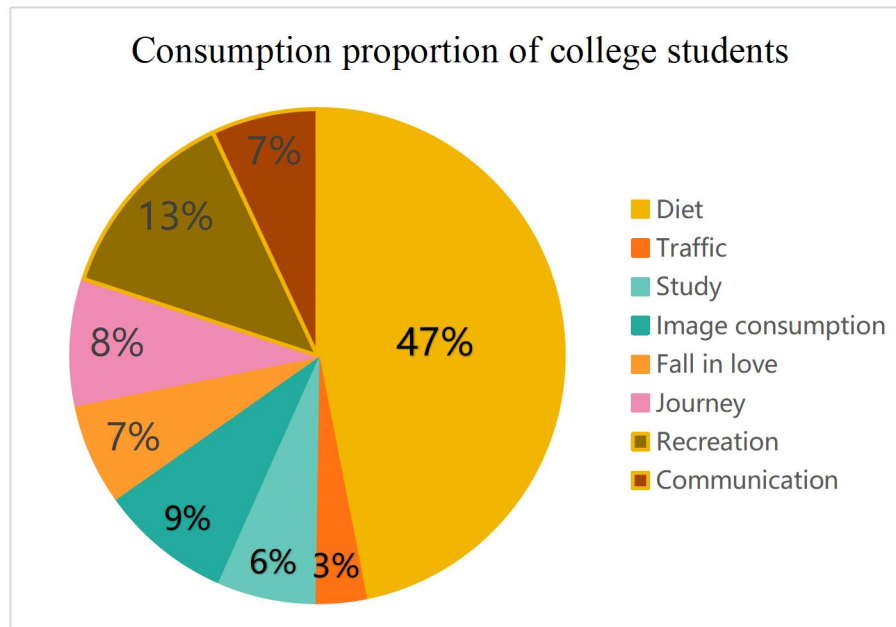

1. Topic
2. Key points for each paragraph
3. Key words
4. Writing idea

An outline represents your idea of writing, and planning before writing is very important.

Part 1

Write a 120-180 word essay based on the information given in the chart below.

Language fluency and logical clarity are required.

Part 2

Writing a 180-200 word essay according to the graph below requires fluency, logical clarity, and depth of thought.

Part 3

Write an essay of at least 250 words use the following table. It requires fluent language and clear logic.

Love brain	
Overall average daily search index value	306
Moving daily search index value	297
The highest peak	4952
The Information Average Daily index	339
The highest peak	74,129
